Add Employee

Name*:

Email*:

Mobile*:

Company*:

Add

Validations:

- All fields are mandatory.
- On successful submission of the form, the new employee details have to be appended as a last row in the table.
- When clicked on the Edit icon, a similar pop-up as the “Add new Employee” form has to be displayed with the input fields populated with appropriate values. When the

- form is submitted in the Edit mode, ensure all the validations are in place. The name of the button in the Edit mode has to be “Update” instead of “Add”.
- When clicked on the Delete icon, a confirmation dialog box has to be displayed with a message “Are you sure, you want to delete this entry?” If the user clicks “Yes”, the corresponding row has to be deleted from the table. If the user clicks “No”, the table has to remain unaffected.
